

A Future Without Gun Violence:

The Dialogue Continues

Expect candid discussions
and powerful conversations.

We're just getting started!

Our next meeting will be Monday, May 19 on Zoom.

Shifting to a virtual format will help us continue the dialogue.

The more voices represented, the more we can understand what's at stake. Our goal: To build momentum that leads to lasting change.

An all-new slate of speakers in May will include educators, faith leaders, social service experts, government officials, and community members just like you.
